**Importance:** High

Good Morning Jeff,

Please find attached our Certificate of Conformance from UL and Natural Products Association for compliance with FDA 21 CFR 111 – cGMPs for the Manufacturing, Packaging and Holding of Dietary Supplements.

We had a visit from the FDA on Wednesday, April 4, 2018 which lasted for 3 days. And we did not receive any negative observations and NO 483's!

Also, the NJ State visited us in May 2018, and we did not receive any observation(s)!

Thanks for your kind assistance.
